Town Clerk

Mrs. Rudes asked the reason why Resolution 16-07-16 was written to change the Town of Arietta's insurance provider from Capital Financial Group, Inc. to Burnham Financial Services. Mr. Baker who has been working on the insurance issues for the last two years informed Mrs. Rudes that it is mostly due to poor communication. He said there have been many issues with who to contact, quotes having the wrong figures, the options offered were limited when they didn't have to be limited, the contact person was changed three times in 12 months to list just a few. Mrs. Rudes feels that the Town of Arietta needs to abide by the agreement with Capital Financial Group, Inc. and send them notification that we are changing our insurance provider. She also said she would be much more comfortable to see an agreement with Burnham Financial Services also before she will be comfortable voting yes on this resolution.

Mr. Wilt and Mr. Baker said that in order to do that this resolution needs to be passed so the Town of Arietta has an insurance provider before dropping the provider we currently have. Otherwise the Town would be left without an insurance provider.

Highway Superintendent:

Mr. Germain reported he was supposed to pave in mid to late July. Mr. Wilt said he would like to start moving the Town offices to the Piseco School building next week. He said the only problem will be if the phone system isn't finished being installed at the school.

Mr. Wilt reported that there has been \$80,000 placed in the budget over the last two years towards the purchase of a new garbage truck. He would like Mr. Germain to look at the Onondaga County purchase contract to see if the truck they wrote specifications on is what we want. Mr. Germain said that he thinks it will be what we want. Mr. Wilt said that there is enough money in the budget now that the community hall roof project has been held off until next year to purchase the garbage truck and he feels that it should be purchased as the present truck is getting older.

Mr. Germain said that the Freightliner that Onondaga County had was the best and also the lowest cost. It has an automatic transmission and it will cost about \$120,000. Mr. Germain will try to get the salesman for the truck company to the August Town Board Meeting to go over the truck specs.

Mr. Wilt reported that the letters for the RTTF at the Airport and the dumpsters will be going out tomorrow Tuesday the 6th. Mrs. Rudes said she would like a copy of each letter being sent. She feels that all board members should be given any policies, letters or agreements that the Town sends out so they can review them. Mr. Wilt said he would send them all.

Mr. Knapp reported that Joyce Page, Marion Parslow, Jim Abrams and himself met with Jim McFarlan and Chris Fallen Parks and Recreation on June 28th, 2016 to go over the snowmobile trail system reimbursement and how the mapping is done. He said that they brought up their maps and they said that no corridor trails can't end on a lake so any that did were reclassified to secondary trails and they were all renumbered. They also raised the rates so the Town won't lose any money. They gave the Town 69 miles and they are going to send a copy of Indian Lake's and Inlet's maps so we can see what trails they do and the mileages.

The next Town Board Meeting will be held August 1st, 2016 at the Piseco School.

Motion was offered by: B. Baker
