Waiver of Medical Insurance / Participation in Buy-Out Provision

Employee or Elected Official Name: _____ SS# _____

As a full-time employee or Elected Official, I meet the eligibility requirements to enroll in the Town's medical insurance plan. I have been allowed to review the plan and ask any questions. I have medical insurance coverage elsewhere and, therefore, wish to waive my right to enroll in the Town's medical insurance plan. I have attached proof of such coverage as indicated below (check the appropriate box). I understand that waiving my rights to enroll in the Town's medical insurance plan releases the Town from any liability that may occur as a result of said waiver.

 Letter from my medical insurance company substantiating my coverage

Town of Arietta Buy-out Provision

Eligibility – The Town of Arietta provides a medical insurance buy-out for those eligible employees and Elected Officials who waive their right to enroll in the medical insurance plan. The Town will provide only one medical insurance policy for an eligible employee or Elected Official whose spouse and/or dependent(s) (if eligible to be under the same policy) also work for the Town. In such an instance, the Town will pay only one medical insurance buy-out; therefore, said spouse and/or dependent(s) under the same policy are not eligible for their buy-out provision(s). Renewable each December, every employee or Elected Official who is enrolled in the buy-out provision is required to give documentation showing they (and their spouse and/or dependent(s) who work for the Town, if applicable) are enrolled in a medical insurance plan for the following year. Revised 10/21/2024

Amount of Buy-out – An employee or Elected Official who is eligible for the medical insurance buy-out will receive an amount of \$5000.00 for the individual, two-person, or family plan premium which the Town would otherwise pay. Such an amount will be pro-rated in those cases where an active employee or Elected Official has not waived coverage for the entire year. An employee or Elected Official who separates from employment, or leaves office for any reason, will receive a pro-rated amount of the buy-out for the period employed by the Town and covered by waiver. Effective 1-1-2025 for all employees

Method and Form of Payment – Payment of the buy-out will be made in the final payroll of the calendar year. This payment is in addition to the compensation and salary to which the employee or Elected Official is otherwise entitled, will be treated as part of the employee's/Elected Official's gross income, and will be subject to the appropriate withholding for income and payroll tax purposes. The buy-out amount is excluded from the retirement system earnings calculation.

Reinstatement – If an employee or Elected Official chooses to rescind their waiver and enroll in the Town's medical insurance plan, a written notice must be provided to the Account Clerk during the open enrollment period for coverage to become effective the following January 1. Additionally, there may be life events that allow or require enrollment outside of the open enrollment period, for which an employee or Elected Official may request further information from the Account Clerk. Revised 10/21/2024

Changes – This policy may be changed or eliminated at any time by resolution of the Town Board.

I have read and agree to the above:
